

- 2021 - De aardopwarming heeft Europa in een totale chaos gestort. Van uit de decadente EU hoofdstad roept de beruchte bastaard Prins, de in Rusland verbannen Afterman ter hulp.

Op zijn twaalfjarige zwerftocht door het avondland wordt Afterman geconfronteerd met extreme vormen van:

foltering

moord

verkrachting

kannibalisme

Bij zijn aankomst in Brussel is hij getuige en tevens slachtoffer van de " APOCALYPS "

In the accursed year of 2021, the global warming has turned Europe in a chaotic wasteland. From the decadent capitol of the Union, a desperate cry for help arises: a notorious bastard prince asks help from the sordid Afterman. Retired in the Russian steppes following his former incredible adventures, the Afterman decides to help his endangered compatriots. Then begins for him a long and brutal journey, taking him more than twelve years,

where he will encounter and suffer all possible forms of perversion and horror; going from rape, bestiality, torture, mutilation and cannibalism to the most monstrous holocaust! Having finally arrived at destination, and in spite of himself, he will be the trigger of the final devastating APOCALYPS!
